

- Low-income + community engaged
- Reasons why people walk or don't walk in areas (safety?)
- Could organize a walk in the area to map area of concern
→ bring decision makers
- Do demonstration projects: (plungers)
 - temp paint for bike lanes
 - temp bump out

Phoenix, AZ

32.7 pedestrian fatalities / 10k
= Pedestrian Safety!

- Demonstrations at Crossings
- Highlight opportunities
- Make cars more aware
