

From Policy to Practice:

Policies and Programs to Support Active Transportation

Katherine Swidarski, PhD, MPH

Safe Routes to School/Safe Passages Program Manager

National Walking Summit

September 24, 2019

COLUMBUS
PUBLIC HEALTH

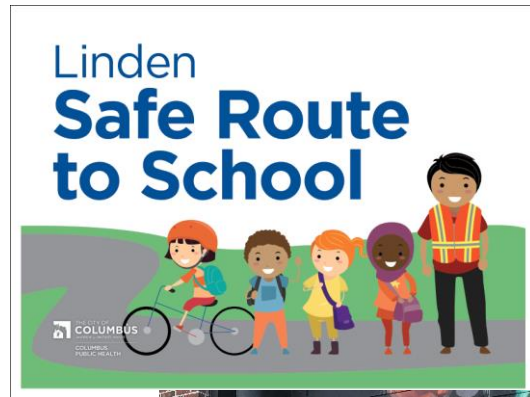

Who, What, Why

- **WHO:** Columbus Safe Routes to School
- **WHAT:** District-Wide Wellness Policy
 - School
 - Worksite
- **WHY:** Health Impact
 - Traffic Safety
 - Neighborhood Safety
 - Chronic Disease Prevention

How the *program* turned into *policy*

How the *program* turned into *policy*

How the *program* turned into *policy*

Summary

- Build relationships and organizational capacity
- Identify and center the experiences of our most vulnerable populations using data-driver, trauma-informed approaches
- Implement policy at highest available level (within relevant setting) to add program permanence and expand impact
